

Groundbreaking:

With the footings, foundations, and floor poured, all was ready for May 15th when friends of Jericho joined with representatives of

Christian Traditions, levels of government and The Congregations of Christian Brothers and Felician Sisters to participate in Jericho's groundbreaking ceremony. Present and past Chairs of Jericho's Board of Directors joined student representative, Adrianna Magazzeni, in turning the sod. After the ceremony, refreshments were served at the Port Colborne Brethren in Christ Hall. Kudos extended to Sr. Jacque Keefe, and Br. Seán Whitty, for creating the ritual ceremony.
